

The benefits are practically limitless.

The Morehead-Cain Foundation seeks motivated, courageous, and inquisitive leaders interested in embracing new and unknown experiences and impacting—positively and profoundly—the people and pursuits that define their lives.

THE MOREHEAD-CAIN

The Morehead-Cain is a four-year, fully funded educational experience for students of the highest caliber. It is so much more than tuition and room and board at the University of North Carolina at Chapel Hill. It sets scholars' potential free. It offers life-changing summer enrichment and Discovery Fund experiences. And immersion in a dynamic student body at a world-class university.

To be eligible, a student must be:

A competitive applicant to the University of North Carolina at Chapel Hill and on track to graduate in the summer of 2022.

SELECTION CRITERIA

Leadership: Morehead-Cains influence, energize, and inspire others to work together to make an impact. It's more than titles held or roles played. For scholars, leadership is about courage and action.

Scholarship: Morehead-Cain Scholars live for opportunities to learn. They thrive in an academically rigorous environment, yet are able to contribute to their communities in other ways.

Moral Force of Character: Compassion, courage, humility, self-awareness, and a sense of purpose—these are the core values of the Morehead-Cain community.

Physical Vigor: Morehead-Cains demonstrate a sustained commitment to fitness and wellness. They value what is gained—collaboration, sportsmanship, discipline—by preparing for and engaging in competitions and performances.*

**Due consideration is given to those with physical limitations*
