INTRODUCTION

Choose your province to see some of the high school courses Lakeland College commonly accepts for admission requirements.

The information in this document is a guideline and doesn't include all of the courses accepted for admission. Academic requirements, including high school courses and minimum grades, are specific to each program. In some cases our admissions office will assess your transcript for Alberta Education equivalents.

We recommend you read through the requirements listed on each program's web page to understand what is required for entry into a program.

If you have any questions about equivalencies, please call the registrar's office toll-free at: 1.800.661.6490 Ext. 8420.

TRANSFER ALBERTA EQUIVALENCY SEARCH

If you'd like more information, visit Transfer Alberta transferalberta.alberta.ca. Use the search tool to compare provincial equivalencies (transferalberta.alberta.ca/transfer-alberta-search/#/audienceTypeStep).

This is a 5 step process:

1. Start at Transfer Alberta search:
transferalberta.alberta.ca/transfer-alberta-search/#/audienceTypeStep
2. Choose explore high school transitions or upgrading for admissions
3. Choose provincial equivalents (the last item)
4. Choose your province, then type or select one or more courses.
5. Get your results

TRANSCRIPTS

Part of your application will be sending us your high school transcripts.

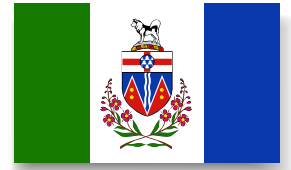

Usually a higher education department in your province will have a transcript department. If you're not sure about where to go, the Alberta Learning Information System (ALIS) has a list of provincial and territorial contacts.

To find your jurisdiction go to the ALIS Get High School Transcript page:

alis.alberta.ca/explore-education-and-training/get-high-school-transcripts. Links are listed at the bottom of the page.
