

Dear Career Education Teachers,

We are planning a Virtual Information Session on TRU Start programs (HCA, ECE and Police & Justice) and courses (English, Economics, Psychology and Sociology) for March 3rd from 6:30 pm – 8:00pm.

This is a chance for us to speak to interested students and parents/guardians, to give them some information and answer their questions. We are hoping to have at least one faculty member/instructor from TRU available for each program, someone from our Admissions team, as well as a few previous TRU Start students on hand to talk about their experiences.

If you have a moment, we are requesting that you please locate these posters in designated area for your students' information.

Thank you in advance for your support and assistance!
